INFORMATION DISCLOSURE STATEMENT

SIR:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56 and in accordance with the practice under 37 C.F.R. §§ 1.97 and 1.98, the Examiner's attention is directed to the document listed on the enclosed Form PTO 1449. In accordance with the rule change, no copy of the cited U.S. patent is enclosed.

The present Information Disclosure Statement is being submitted prior to issuance of a first Office Action on the merits in the present application.

All of the enclosed references were cited in the International application corresponding to the present application. A copy of the International Search Report is also enclosed.

The present invention defines a torque motor having a segment design which is not believed to be disclosed by the enclosed references.

In accordance with 37 C.F.R. §§ 1.97(g) and (h), the filing of this Information Disclosure Statement should not be construed as a representation that a search has been made or that information cited is, or is considered to be, material to patentability as defined in § 1.56(b), or that any cited document listed or attached is (or constitutes) prior art. Unless otherwise indicated, the date of publication indicated for an item is taken from the face of the item and Applicants reserve the right to prove that the date of publication is in fact different.
